You can find out how you can do just that on the Contributing Page. Very frustrating. Lordknight88 Keeps on prompting for rating in the store. Ad Choices: Terms of Use: Do Not Sell My Personal Information: Thanks. That will leave you with an "easy" wood shot into the green. Please correct this or you will lose participants. Carry the bunker with your drive and leave your ball close to the 2nd black mark. Peranakan Guy Clans league believed to be rigged Noticed some of the "players" though different names but rest of information like previous clan, clan medals won this and the last season exactly the same. They must improve the category level from novice only novice(only 50trophies below), rookies only rookies level etc...im going to delete it becuz from 100 trophies now im only 10 becuz of those pro that i cant beat 200 level..omg. With driver use 2 bars of backspin and with a wood use 0.5 bars. Always waiting for network connections, and most of the time, ended with games being overdue and penalties made. Will recommend to friends NeverEndz Levelling of opponents can be improved; sometimes just not fair to pit against a v experienced player Cyclop 0000 I am just writing this for coins whodidwhattowhom Quite fun. Gaara.lin Will be better if have offline mode. Maxtan65 So far enjoying it and get to challenge others GXCCF Crash after a couple of games. Would be better if there's an individual tournament mode rather than battling online The clubs have nice design..which intrigue people to aim for better clubs Upgrades of clubs are abit expensive though V2ekv Too much wrong with this game I've never played a game where I've won 19 games and lost 3 and my rating has dropped. ☹️ Pls fix this problem. Be sure to have a wood with a lot of curl. Can you fix this? 07 November 2019 East Coast tournament holes and notesheets are now available. if you lose consecutively and bankrupt.. Find them here. That will leave you with an easy approach to the green. Hard to be good. Easy to catch on. White Path With a left to right tail wind this is an option. Page 5 Hole 5 - Par 5 (5C) Time & Money Vs Fun & Points As you get higher in ranks you open up more tours. Ospreyf16 A game u cannot stop playing.. Lay up as close to the rough on the left as possible. As you look through the site you'll probably see a lot of filler text. They always match you with people, with high scores to compete with them. Alanpmnteng Good game but want to have custom picture khizzmo Starting second in shoot out definitely has an advantage though SamyCurry Good graphics, but it gets too easy after a while. Here you'll find past guides, descriptions, tips and more for the game of Golf Clash that may help you along your way. Emoji icons supplied by EmojiOne. Use a good amount of right curl and right sidespin along with max topspin. Levels within 10 point difference is fair not 30-40 points and sometimes 110 level difference is So unfair . . . With tailwind, you'll want a driver with at least 80 in backspin. From there, or even shorter, you can get to the green in two. I have to restart the game and I found out I wasted my coins and trophies. In the shootouts the wind ruins you if you think it will affect the ball in the same way as other shots. Page 2 Rookie Pro / Expert Masters This is the most common way to play the hole. Hope players can be competed over 3 free games rather than limit to one currently. Something needs to be done otherwise I will have to stop playing. xxsmxx Its not fair for low trophies Its not fair for players who is not yet a pro for playing this game, imagine it 100 vs 240, 80 against 200 etc..then ones you lose u get down till nothing is left. likegolstg It is very fun and it teaches us a skill! It is also challenging and as someone who started playing 5 minutes ago it is very addictive Aishwaryaa2000 After recent updates, i keep getting kicked out of the game occasionally. I's fake. The game just replays shot with no benefit...fix this issues then 5\* SimonC1972 It is a nice game but equally frustrating! Nine of ten times I went for higher stakes, the network "crashed" and I lost my trophies and coins... Great way to wind down the day. Blue Path This is an option with a driver with at least 70 in backspin. Forever my game!!!! Difficulty logging in using Facebook account I can't continue with my Facebook account NJW8990 It mimics golf games fundamentals. Nabayz How is it possible that a golfer playing this game will lose a total of 2.3 million coins and keep losing without winning ?? Play the higher tier tours only if you can afford to spend money on gems and coins. I enjoyed playing it during my free time. Full of excitement n disappointment (when lost). Perhaps you should rename the game as Golf Crash instead! Cavern Chng A cheating and not a fair game One of the worst game where you are unable to win. The fairway slopes down to the right so be sure to stay away from the rough and bunker. This site is very much a work in progress and wouldn't be possible without the great work already done by other golf clash players. This is one of the most difficult second shots in the game so don't get discouraged if you miss it. Rubbish game ever. It keeps showing me to update which I already did. White Path This is probably the easiest way get a hole in one, and is probably the best way to play the hole with a left to right wind. copy grinder I play and download this game like 7 times for the past 6 months, after several weeks update when login it's show need update and contact etc getting bored each time you play and need start all over again and again so I will share this to everyone among the poor games I've play, spend any on this game and I can't get it back I'm reporting this game anyway Top virus Bankrupt coins and prepare to delete game When you climb higher stages where each game cost alot of coins.. Never tired of this game. Theres too much wrong to be able to recommend golfclash. Even harder to master if you don't spend money. This approach is the most common way to play the hole. Here, you use 5-7 bars of topspin with max right sidespin and use the rough patch between the bunkers to get the ball up onto the green. Thank You! Try a different method 22 November 2019 The 2019 Fall Major holes and notesheets are now available. kkokkg After a while, it feels like the game sends you on a losing streak you can't break. Otherwise just stick to the lower tours and maintain your rank. rocketmail An interesting n realistic golf game. Page 4 Rookie Pro / Expert Masters This is the most common way to play the hole. I cannot imagine the network "knows" when I was playing this game and "deliberately" disconnected just to cause me to lose the matches but I am getting this feeling after experiencing this so many times. Mommy-kins Fun game and easy to play This game is promising but somehow I'm not sure how to judge the distance according to how much you pull back the ball Rogervu Why can't I open the app after the update? What a stupid game ?? If you opt to go right, you'll need a wood with a lot of distance as the shot is LOOONG. khriszten Nice simple graphics.. Chest waiting time done can be improved. Easy to learn, not complicated would be played more of it could be used offline and able to switch accounts Apuonbus Connection is always painful experience I always find this game very frustrating for the connection. DavidVDaniel The simple and easy gameplay takes the headache of having to consider the many different aspects of the game and just lets you focus on getting to the hole with the perfect timing. If you want to take risk and lose everytime, please go ahead and download. Play your drive up as close to the rough on the right as possible. Activate and hold the buton to confirm that you're human. Shorter waiting time would be good. Each time you play, you will win for the first round and then the subsequent rounds, you will start losing every game. It is full of "in-app content" and it is slow to load + eats battery. With a wood, use topspin instead. I just wish the are more free hits for the mystery boxes. Either have to wait or buy coins. 28 October 2019 Dreaded Dunes tournament holes and notesheets are now available. You can land directly on the green and take the bunkers out of play. Keep saying it is reconnecting. Overall a horrible experience dheufuvsje Nice game to play. By far this is one of the best ironNman of steel Easy to start playing. Page 3 Rookie Pro / Expert Masters This is a very tricky par 3. I'm using an old iPhone-6.. See you down the Clubhouse: A network connection is required to play this golfing game. The effect of the wind is wildly inconsistent from hole to hole and from green to shootout. Use full backspin, left sidewind and left curl. Please do not download this game. so not sure if it's the cause of it, you will end up climbing from the start and takes another whole 1-2 mths to get back to high level.. From there, depending on the wind, you can choose to either continue up the right fairway or cross over the water. eject#%12345 Great time waster. It's addictive but luring one to believe that they are real and you can never beat them no matter what. Stupid bug and useless computer graphics Jh woo I've been playing quite a bit but now at a point where I can't play anymore games because I'm out of coins. White Path With a tailwind you can go ALL IN. Blue/Orange Path This is a somewhat less common route. Use a couple bars of right sidespin and 2 bars of backspin with a driver. Deleted it. That's to let you know that it needs to be filled in and you can do it! Be sure to check out the Resources page which provides links to other pages that have a lot of quality content. Lol katecz Recommended if you are looking for some nice game to kill time Kurenai 19 Excellent way to relax without the hassle of actually going to the club lanunbotak Unable to stop playing :) Skydevil12 You know I'm just doing this for the 1000 coin reward right Qwertyqwopqwerty This game is incredible! Cadenceeeee No ads, and got me addicted for weeks!! xJohns This game help to set your mindset to be safe and can help in playing real golf. Please please please improve on the app so it won't crash. It's important to keep your second shot out of the rough and bunkers. Kcng11 The gameplay is fun so far but I hope that at higher levels, you can"earn" the good bits mac. ryan Easy to pick up a game or two while waiting Alanwolf Gameplay simple and interesting. Oh no ☹️ I just updated the new version and the app crashed!! I can't play anymore. Just don't download this. Korean fan22 Used to be great until recently where connection keeps getting cut off. An open source compilation of Golf Clash content. Blue Path The tee shot is the same as the black path but with a left to right wind, it may not be possible to get the needed curl for the second shot shown in the black path. You need both curl and sidespin to pull this one off. bigbowl78 The same level players should play against each other. Quite interactive and nice game play. You'll need a wood with good distance to reach. Simple shots that worked regularly before suddenly send you into water, bunkers or rough, and this seems to happen for shot after shot, game after game (until you spend money?). Half the time the game drops out due to high network load as well. And lastly, all community contributions are appreciated. The game is fun but the shootouts are where you will lose money if you are inconsistent. idifneoshs Had a few games of golf installed. The shootouts massively favour the player who goes second. duerjimori Guys, the app can't open on my phone, it says connection error, fetching lasted data #105, then it just hangs there. unless u spend money to buy coins GoDevil13 Keeps crashing. I lose my points due to this "Reconnecting Bug" but when it's on the Opponents side I get a refund...not very consistent..either refund both players for Christmas none ruin problems of at least allow the reconnect to work rather than crashing...plus when Ball is in water or out of bounds why is there no penalty shot? From there, you'll need a wood with good accuracy and ball guide.
